Offer Description

The Gaspar Frutuoso Foundation, F.P. opens a competition for the awarding of one (1) Research Grant (BI) for a graduate enrolled in a master's program, within the scope of the research project BREATHE - Earth's Breathing in Warming: mapping the flow of CO₂ from Earth to Space, funded by the Foundation for Science and Technology (Ref. 2025.02289.AZO).

1. Subject of the Activity:

The grantee will be responsible for developing field and laboratory work aimed at characterizing and quantifying geogenic carbon dioxide emitted in volcanic areas of São Miguel Island. The environments studied include degassing areas in soils, lagoons and the sea.

2. Scientific Area: Earth Sciences

3. Admission Requirements:

3.1 Degree in Geology; Geological Engineering; Geophysics, Civil Protection and Risk Management, and related fields.

3.2 Enrollment and registration in a Master's degree program in Geology; Volcanology and Geological Hazards; Geochemistry; Environmental Geology and Society.

3.3 Training and experience in:

a) Measurements of carbon dioxide emitted in volcanic areas, including different environments (soil, lakes, sea).

b) Spatial processing of geochemical data.

3.3. Scientific publications or communications at conferences in the scientific area of this competition.

3.4. Knowledge of English; and

3.5. Ability to work in a team.

4. Applicable legislation and regulations: Statute of the Scientific Research Grant Holder, approved by Law No. 40/2004 of August 18, amended and republished by Decree-Law No. 202/2012 of August 27, by Decree-Law No. 89/2013 of July 9, by Decree-Law No. 233/2012 of October 29, and by Law No. 12/2013 of January 29, and amended by Decree-Law No. 123/2019 of August 28, in the wording in force (<https://www.fct.pt/apoios/bolsas/estatutobolseiro>) and FCT, I.P. Research Grant Regulations, in force (https://www.fct.pt/wp-content/uploads/2026/01/RBi_Republicado_2025.pdf).

5. Workplace: The work will be carried out at the facilities of the Institute of Volcanology and Risk Assessment of the University of the Azores, in Ponta Delgada, under the scientific guidance of Dr. Maria de Fátima Batista Viveiros.

6. Duration of the grant: The grant will last for 12 months, on an exclusive basis, in accordance with the FCT's advanced human resources training regulations and under the terms of Article 5 of the Research Grant Holder Statute.

7. Monthly maintenance allowance: The grant amount corresponds to € 1,090.98, according to the table of values for grants awarded directly by the FCT, I.P. in Portugal (<https://www.fct.pt/apoios/bolsas/regulamento.phtml.pt>), published in Annex I of the Research Grant Regulations of the Foundation for Science and Technology (FCT), published by Decree-Law No. 350/2019, of December 16. The scholarship will be paid monthly by bank transfer. To this amount will be added the Voluntary Social Security contribution, corresponding to the 1st tier, if the candidate opts for it, as well as Personal Accident Insurance.

8. Selection Methods: The selection methods to be used will be the following: curriculum evaluation, with a weighting of 55%, and a Professional Selection Interview with a weighting of 45%. If none of the candidates has the appropriate profile (overall evaluation below 50%), the scholarship will not be granted.

9. Composition of the Selection Committee: The Committee is composed of Professor Maria de Fátima Batista Viveiros, President; and the effective members Professor José Virgílio de Matos Figueira Cruz and Doctor Letícia Resende Ferreira.

10. Method of publication/notification of results: The final results of the evaluation will be published, through a list ordered by final grade obtained, with candidates being notified by email. The provisions of the Administrative Procedure Code apply to this competition and, if the decision is unfavorable, candidates have 10 working days to appeal.

11. Application period and method of submission:

The competition is open for 10 working days after the publication of the notice.

Applications must be formalized by sending the following documents:

- a) Application addressed to the President of the Jury;
- b) Letter of Motivation;
- c) Curriculum Vitae, dated and signed;
- d) Copy of legal identification and taxpayer identification document;
- e) Copy of the Academic Qualifications Certificate, with a list of the evaluations obtained;

Holders of academic degrees awarded by foreign higher education institutions must have recognition of the academic degree required in this Notice, in accordance with Decree-Law No. 66/2018, of August 16. Recognition of the aforementioned degree must be obtained by the deadline for signing the contract, if the candidate ranked in an eligible position has obtained the academic degree required in this Notice abroad;

- f) Copy of proof of enrollment and registration in the study cycle required in this Notice;

The documents must be obtained by the deadline for signing the contract.

- g) Other documents that the candidate considers relevant for curriculum evaluation, especially letters of recommendation and documents attesting to experience in the requirements mentioned in item 3.3 of this notice.

Applications must be sent exclusively to the email address ivar@uac.pt, addressed to the Jury President Maria de Fátima Batista Viveiros, with a copy to the Gaspar Frutuoso Foundation (silvia.f.martinho@uac.pt), with the scholarship competition reference (007/BI/2026).
